What is the EBF?

A group of 24 European Pharmaceutical companies meeting regularly to discuss topics relevant to bioanalysis.

Who are its Members ?

Abbott	Almirall
AstraZeneca	Astellas
Bayer-Schering Pharma AG	Boehringer-Ingelheim
Ferring Pharmaceuticals AS	Grunenthal GmbH
GSK	F Hoffmann-La Roche Ltd
Johnson & Johnson	Merck and Co
H Lundbeck A/S	Merck Serono
Novartis Pharma A	Nycomed
Schering-Plough	Orion Pharma
Pfizer	Sanofi-Aventis
Servier	Shire Pharmaceuticals
Solvay Pharmaceuticals	UCB Pharma
Novo Nordisk A/S	

Where is the meeting?

At the Barcelona Hilton, 1st and 2nd December 2008, Barcelona Spain, registration is 250 euros.

What are the topics?

- Small molecules – Validation and cross validation issues
- ISR updates
- Quantification of metabolites – towards implementation of MIST
- Technology updates
- Large molecules – testing for immunogenicity and quantification of proteins

What is the aim of the meeting?

To create an interactive environment for the bioanalytical community to share ideas and concerns.

How to find out more or contact the organisers?

Philip Timmerman, Johnson & Johnson,
Berthold Lausecker, F Hoffmann-La Roche Ltd,
Margarete Brudny-Kloepfel, Bayer Schering Pharma AG,
Richard Abbott, Shire Pharmaceuticals and
Christina Smith, Bavalan BioConference/MDS Pharma Service
